## Energy Audit

Presented by: Jonathan Handey  
Eco Three

An Eco Three Residential Energy Audit examines your whole-house to determine if areas can improve in energy efficiency, air quality & overall comfort. Grading the home as a whole system will ensure all parts are working together for a healthy, comfortable and energy efficient environment for years to come. We utilize our specialized testing to evaluate your home.

**Location: Brasfield & Gorrie, LLC**  
3021 7th Avenue South • Birmingham, Alabama 35233

**When:**

Wednesday, January 11, 2012 11:30am-1:00 pm
