## About USGBC Alabama Chapter

**Our Mission:** To transform the way buildings and communities are designed, built and operated, enabling a socially responsible, healthy, and prosperous environment that improves the quality of life in Alabama.

USGBC Alabama Chapter is a 501(c)(3), non-profit, volunteer organization formed in 2004. We have four Branches: North, Birmingham, Central, and Gulf Coast. We are one of 72 Chapters that make up USGBC National and we are licensed by USGBC National to use the USGBC Chapter brand. ***We are the local voice of USGBC for our area.***

## Types of Membership & Ways to Join

There are two types of membership: National Membership and Chapter Membership.

### National Membership (Organizations only)

National membership is for organizations only. When an organization joins as a National Member, it provides significant discounts for Chapter membership, USGBC materials, events, workshops, exams, etc. This also lists that organization on the USGBC National Member directory. To join as a National Member, go to [www.usgbc.org](http://www.usgbc.org).

### Chapter Membership (Individuals only)

Chapter Membership is for individuals wanting to become involved with USGBC at the local level. Membership in the Alabama Chapter is separate from membership at the National level. As such, dues associated with being a local member are separate from the dues that an organization pays to be a USGBC National Member. Chapter dues are discounted for individuals who are employed by a National Member organization. Regardless of whether or not your company is a USGBC National Member, you are encouraged to join the Chapter and get involved. To join the Alabama Chapter, please go to [www.usgbc.org](http://www.usgbc.org) and click on "Chapters." Then click on "Join Your Local Chapter" and choose the Alabama Chapter.
