### Welcome to the North Alabama Branch

In June of 2008, about 75 Architects, Engineers, Designers, Homebuilders, Contractors and other building professionals met and responded to the call from the USGBC Alabama Chapter to form the North Alabama Branch, and lead our region towards a more sustainable future....

We invite you to join us!

**The Alabama Chapter of the U. S. Green Building Council promotes the design, construction and operation of buildings that are environmentally responsible, profitable and healthy places to live and work in Alabama.**

Any individual from a USGBC member company or organization is encouraged to join the USGBC - Alabama Chapter, North Alabama Branch. Associate memberships are also available, as well as discounted membership for students. Your membership in the chapter provides an unparalleled opportunity to influence change and help shape the future of green building in Alabama. In becoming a local member you will be able to network with professionals from across the building industry, get access to new LEED developments, and advance the USGBC mission at the local level.

If your firm has regional offices, we encourage all the employees at your offices to participate in their local [USGBC chapters and affiliates](#). Please visit [www.usgbc.org](http://www.usgbc.org)

You may join the Alabama Chapter, North Alabama Branch by going to the USGBC website, follow the buttons to the Chapters page and click on the [Join a Chapter](#) link. If you have not registered with USGBC, you need to complete your [User Registration](#) first.

#### BENEFITS

***Opportunity to shape the local agenda through chapter and committee leadership.*** Join one of our committees or chair a committee. Visit the [Committees](#) page for committee descriptions.

***Opportunities to meet and learn from professionals from across the building industry.*** Take advantage of opportunities to meet, exchange ideas and build momentum with green building leaders on the local scene. Visit our [Events](#) page to find out about our next event.

***Recognition as a leader in supporting a better built environment.*** The industry, governmental and educational leaders, and the media increasingly turn to the chapter to find out who is doing what in green building.

***Discounted local event fees.*** Chapter members get discounts to our networking and educational events.

#### COST OF USGBC ALABAMA MEMBERSHIP:

\$50/person for Full Members  
\$65/person for Associate Members  
\$25/person for Emerging Green Builders
